

Restoration Carpenter/Handyman

We are seeking an experienced Carpenter to join our growing company. In this role, you will work directly with our Project Management team to restore and reconstruct residential and commercial properties damaged by fire, water, or mold. This position requires a motivated individual who can work alone.

Restorations by Highmark provides high-quality restoration services for water, fire/smoke damage, mold and biohazard. We work directly with insurance companies to ensure our clients' homes are restored to better than original condition. We are proud to be a locally owned business, building trust in our clients and community.
